- not dead =

I'm scared, Professor Dumbledore.

Everyone is scared of something.

Newt ? You're next !

That's an unusual one... What Mr Scamander fears above everything else is ... ?

Having to work in an office, Sir.

Go ahead, Newt.

Riddikulus !

...

I can't move against Grindelwald.

It has to be you. In your shoes, I'd probably refuse too.

It is late. Good evening, Newt.

Oh, come on !

...

Muggles are not lesser ; not disposable.

You're too good, Newt. You never met a monster you couldn't love.

Mr Scamander ! Do you think Dumbledore will mourn for you ?

Um... Are you... Are you a ghost ?

No, I'm alive !

Now watch the trailer. Listen to the sentences and practice their pronunciation. Then have fun dubbing the characters :-)
