Petit rappel avant de te lancer !

Je raconte ce que j'ai fait → I + V + ed ou bien I + vi.

Je raconte ce que je n'ai pas fait → I + **didn't** + base verbale (= verbe sans terminaison / verbe non conjugué)

I played soccer ≠ I **didn't**soccer.

I went to a party ≠ I **didn't**to a party. (attention aux verbes irréguliers!)
